Ethics Series *with Sister Terese*

Thursday, January 16th, 7:00 pm
"Real or Merely Alleged Rights?"

"Animal rights! Right to a child! Right to an abortion! Homosexual rights!" We hear these claims for rights frequently. What is a right, and how do we discern genuine rights from those which are merely alleged? Sister Terese will explain the nature of a right, noting its intrinsic link to the moral law. **QUINN HALL**

Sister Terese Auer, OP, has a PhD in Philosophy and forty years teaching experience, ten at the college level. A Nashville Dominican, she authored the bioethics curriculum for John Paul the Great High School where she currently teaches.

**THE STAR OF BETHLEHEM**

The unfolding of the story of the Incarnation continues today as the Church celebrates the Epiphany. The tale of the magi from the East is one of the most fascinating in all of scripture. It has much to teach us about what we can come to expect, even in circumstances and places that may seem insignificant or small. Bethlehem was a tiny town, what we might refer to today as a town without even one stop light. Yet it is over this seemingly insignificant place that the guiding star stops in its own search for the place where the Savior would be born. Too often we fail to recognize the fact that the star of Bethlehem comes to rest in our everyday lives, where we can experience God's presence, manifested in ever new ways. Epiphany calls us to shake off our stupor and recognize the One who comes to save us.

Please pray for our seminarians by name...

Stop by the parish office for a prayer card with the names of current seminarians and a Vocations prayer.
