LOVE ONE ANOTHER

In the Gospel for the Sixth Sunday of Easter we are met with an extraordinary challenge: Jesus commands us to “love one another as I love you” (John 15:12). The letter from John echoes this command. Of course, we are to love those in our family, those we work with, those we like. But the scriptures make clear that we are also to love those we never notice, those we purposely avoid, and even those we are tempted to despise.

In this Sunday’s selection from the Acts of the Apostles Peter shows us how far God’s love extends, and how far our love should extend in response. Peter realizes that God no longer “shows partiality” to the Jews, sharing divine love exclusively with them. Christ has revealed that God’s love extends to all people, and so should ours.
